

REGAN'S GALLOPER A CHEAP WINNER.

Bought for \$300 from Walden, He Wins the First Time Out.

SHERRER'S GOOD RIDING.

His Handling of Knight of the Garter Lands the Colt a Winner.

By Francis Trevelyan.

After the first race at the Aqueduct race course yesterday Mr. Hennen Morris remarked, cheerfully: "Well, the breeding is to the fore, you see." For two-year-olds bred by the Walden-Morris partnership had run first and second. This was good enough, but more was yet to come, as the second two-year-old race of the day was destined to fall to a two-year-old bred at Mr. Walden's Bowling Brook stud, for which Frank Regan had paid only \$300 on Thursday afternoon.

The question arises whether, if this firm can raise two-year-olds good enough to win any kind of race at the first time of asking, and can afford to sell them for such prices, what their top-notchers must be. If they sell Galloper for \$300 and want \$15,000 for Cherry Picker, presumably the latter must be fifty times as good as Regan's colt. Galloper did not beat much, but he did what was asked of him in business-like style, running exactly to the notch he had shown in the work which made Regan buy him. (And it is also to be presumed that the best two-year-old in the

favorite, Brav Lad was third, after making a strong bid at the furlong post. Captain P. stumbled and had all the worst of the start, but, considering the fact that he is still very high in flesh, ran a good race. The Kentish was a headlong runner, the three-year-old selling race at a mile and sixteenth was due entirely to Sherrer's riding and the fact that that lad has a knowledge of pace and can wait in front. There was a headlong charge on Tobias that brought his price with a rattle from sixes to 5 to 2, at which figure he closed even favorite with the gray deceiver, Passover. Knight of the Garter was liked by his stable and carried \$1,000 of his owner, Mr. R. T. Wilson, Jr.'s money. Mr. Wilson had, by the way, lost \$1,000 on Orthon.

SHERRER'S ARTISTIC WORK.

Sherrer handled the colt beautifully during a tiresome delay at the post, and while the other horses were plunging, fretting and trying to bolt he soothed him and kept him well in hand. When the flag fell to a good start he took a commanding position and till the finish he led, never forcing the pace unduly, but carrying his field along at an even clip. When pressed at the finish by Passover he rode out with hand and heel, leaving his whip alone. Free Lane fell right out of the race at the first, but came again with a rattle at the finish and was only beaten a head for second money. Sims, on Passover, lost his whip at the sixteenth pole while Tobias was shot off in the stretch. Bastardie lost a lot of ground on the turn.

Decker, a confirmed runner, won the maiden race, Lakeland, who backed him on Thursday, was going to scratch him, but concluded that he might just as well run as not. He was a wild tip on Mr. Keene's Oceana, although she was very proppy. She should have won, but, failing to hold her place at the start, was interfered with and could not quite get up in time at the finish.

The stewards of the meeting have notified the starter to ignore bad actors at the post after waiting on them five minutes. Such horses will be reported to the stewards.

Mr. Clarence McDowell will act as judge at the Meadowbrook Steeplechase Association's meeting at Westbury, L. I., to-day. M. J. Daly had his left arm, which was broken by Salisbury at Guttenburg some years ago, broken again by a kick from a colt at Gravesend on Thursday morning.

W. J. Fitzpatrick has been appointed starter for the Fore Erie Jockey Club's ensuing meeting.

Summerville, a two-year-old, was sold for \$1,000, for two-year-olds; selling allowance; four and one-half furlongs. Kenwick Stable's h. f. Juba, by Britannic, July, 109.

HORSES SPEEDING ALONG

Lively Training Operations on the Morris Park, Gravesend and Sheepshead Bay Race Tracks.

Training operations at the race tracks yesterday were of the most lively nature, and between sprints and long distance runs, in which the cracks of all ages took a prominent part, there is no question as to the class of racing with which the Morris Park meeting will be attended.

Several interscholastic meetings by the wayside at the recent meeting of the Trinity School association held at Berkeley, Cal. The weather and the track were in the athletes' favor, and a larger crowd present than the first event began fully 1,200 were at the Oval.

A new one-mile record of 4 minutes 45 seconds was established by Christ of Harvard School. He would have the distance in faster time had he pushed very hard. H. E. Manwell, Pingry School, broke the 300 yards record by three-fifths of a second.
